NICARRY HALL

WAYNE A. AND FRANCES O. NICARRY HAVE CONTRIBUTED GENEROUSLY TO THE DEVELOPMENT OF ELIZABETHTOWN COLLEGE. FOR THEIR INTEREST IN CHRISTIAN HIGHER EDUCATION, THIS BUILDING IS NAMED IN HONOR OF THEM AND THEIR FAMILY.

1974

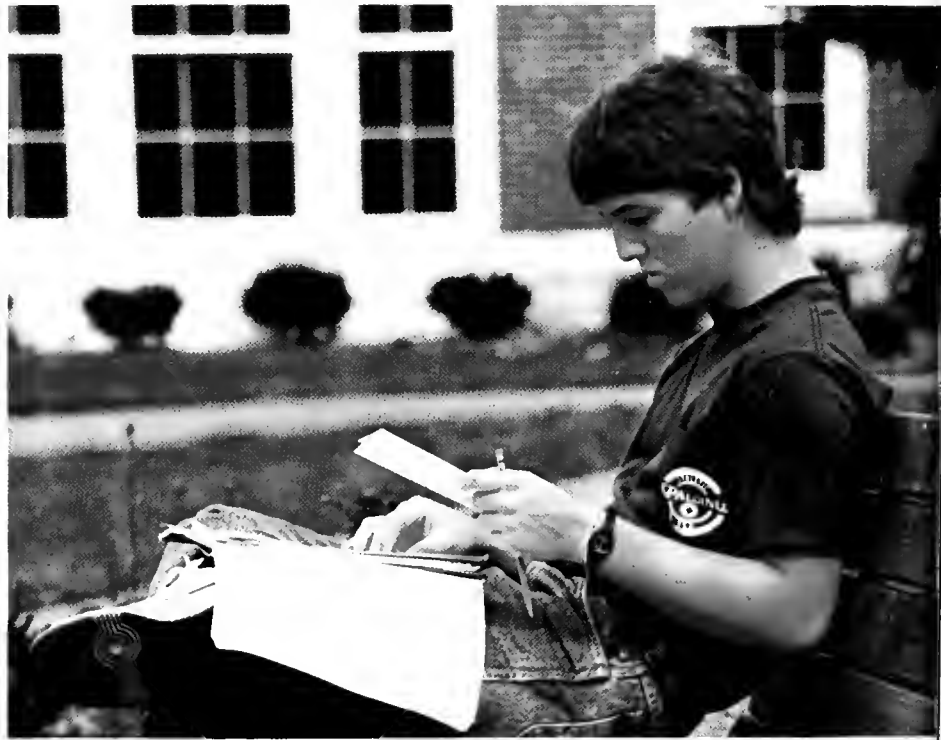

**Lifetimes
Not chosen by you or by me
How then, can it be?
Lifetimes
So close together, we are
Yet sometimes, far away
Lifetimes
We did not have a say
While still we are here
And it has happened my
friend
That our times have come
together
Despite our lifetimes
So close, and sometimes,
far away
I have grown to love you
anyway**

Graduation 1988

On May 21, 1988, 389 graduated from Elizabethtown College. Although the weather threatened, the ceremonies were held in the dell. 3 Honorary degrees were granted along with 90 Bachelor of Arts, 281 Bachelor of Science, and 18 Bachelor of Liberal Arts, Bachelor of Professional Studies, and Associate of Science Degrees. The guest speaker was Bernard Watson. A reception in Myer circle followed.

The image features a minimalist, abstract design composed of several overlapping rectangles with black outlines. The rectangles are tilted at various angles, creating a sense of depth and movement. The central rectangle is the largest and contains the text "UNDERCLASSMEN" in a bold, black, sans-serif font. The other rectangles are smaller and positioned around the central one, some partially obscuring it. The overall composition is clean and modern, with a focus on geometric shapes and typography.

CLUBS

Clubs are an important part of Elizabethtown College. Not only do they plan and host campus activities, they are also a way of meeting new people. Club meetings and events give students the chance to meet and talk with others who have similar interests. Being active in a club is a way to become an acting part in determining what goes on in campus. Clubs provide both a social and educational opportunity.

THE 1988 CONESTOGAN STAFF

It's been a difficult couple of years for the yearbook. With lack of staff and experience the main burden of the book has fallen on just a few shoulders. But, through it all we have managed to bring you the 1988 Conestogan.

The yearbook is an important part of school. It is a memory which can not be forgotten. For years to come you will open your yearbook and be engulfed in memories. You will see a picture you didn't see before, remember the big Homecoming game, or when the new dining hall was built. You, the students, must preserve these memories.

As many times as you have probably heard "There is nothing to do on this campus" you would be surprised at all that really happens here at Etown. There is so much going on it is hard to capture it all before it ends. So if we've missed something please know that we tried. Our main goal has been to capture the spirit of Etown, and I think we've accomplished that.

Etown is a place of friendships and good times, as well as many struggles and **lots** of hard work. Look through the book and remember.

A special thanks goes to staff and the Comm-Arts students that made this book happen. Thanks for the dedication.

The Year In Review

Even though many claim that as college students we live in a protected world of our own, we are aware of those things which shape this world we study. On the next few pages is a visual remembrance of the year that was full of surprises.

Crash, Ho

The Dow Jones industrial stock average dropped 508 points, the largest in history, on Monday October 19, 1987. Some called it a "crash," others called it a "meltdown" and others called it "Black Monday." Whatever it was, it stripped \$500 billion from the market value of U.S. Securities.

Television evangelists Jim and Tammy Faye Bakker said farewell to the PTL ministry in March. Jim Bakker resigned after confessing to a sexual encounter with a young woman. Tammy Bakker bowed out of the broadcasts to undergo treatment for drug dependency.

The Golden Gate Bridge in San Francisco celebrated its 50th birthday. About 250,000 people jammed onto the bridge for an anniversary walk across the span. Another 500,000 packed the bridge approaches, but were denied access because the engineers feared the span could not support the weight.

In the six years since Americans first heard of a mysterious immunity-robbing disease from which no one recovers, AIDS has killed nearly 25,000 Americans, millions of dollars have poured into medical research and President Reagan has proclaimed the plague "Public Health Enemy No. 1."

SPECIAL EVENTS

Freshmen Orientation

August 29, 1987 was a very important day for the class of 1991. It was a day of confusion as the chore of moving in and getting organized occurred. Freshmen Orientation had begun with group sessions, new games, and the traditional Progressive Hike. The highlight of the weekend arrived when the students participated in a Candlelight Induction Ceremony. This weekend helped to bring the class of 1991 together, to make them aware of their fellow class members as individuals. It was a weekend of happiness, sadness, work, fun that no one will soon forget.

Crop

The annual volleyball marathon was held and as usual was a great success. Twelve teams, including faculty and students, played volleyball from 10 PM to 10 AM. The dedication of the teams helped them to have fun while also helping the needy.

Parents Weekend

For the freshmen, as well as the upper classmen, this is an important time and also a good time. Letting go is hard but once you do, watch out. Independence has finally arrived but there is still the need of home. To show the gratitude of independence, the Parent of the Year was presented. It was awarded to Robert Miller's mother.

Hersheypark

APB sponsored a trip to Hershey park on Oct. 3. People whirled and twirled their way through a fun filled day. A good time was had by all.

Booster Day

Even the rain couldn't drive away the good spirits of the fans that supported the soccer team as well as all the other teams.

Homecoming

Homecoming, sponsored by Student Senate, proved to be a big success. This years turnout, with more than 800 alumni, was the largest yet. The midway provided games, crafts and a variety of foods for students, family and friends to enjoy. The annual soccer game, E-town beating Muhlenburg 2-1, was again the center of attraction. Laura Bly was crowned Homecoming Queen. A dinner was held in Thompson Gym where afterwards, the world famous "Lettermen" performed.

Halloween

Halloween at Elizabethtown was once again a fun-filled weekend. Students dressed up in a variety of costumes and had a great time. The annual Haunted House was also a great success. Tricks and treats could be found everywhere and everyone had a witchin' weekend.

Holiday Dinners

Holiday dinners are always a time to get together and have fun with friends. Thanksgiving dinner was a sit-down affair with professors, faculty and President Speigler serving the students. Santa arrived early to attend the Christmas dinner. Smiling faces and a good time was had by all.

Blizzard of Bucks

Jan. 23 was a prosperous day for 12 lucky contestants. Names were put in a hat from the 300 people in the audience, one lucky person winning a chance in the money booth. Wild and wacky games showed the real talent of the contestants. The winner walked off with over 70 dollars in cash and prizes.

Alcohol Awareness Week

Elizabethtown took part in National Collegiate Alcohol Awareness Week from Oct. 19th to the 25th. There were events for students to have fun without alcohol. Students signed a pledge stating to be sober for a weekend. It worked! The college bowl was held and movies were shown. Comedy Cabaret appeared Friday and a dating game Friday night. Other events included a volleyball tournament, earth ball games, nuts and bolts party, a dance until you drop and the non-alcoholic bar. What fun it was to be sober!

1988 Awards Assembly

On Monday April 25th the 1988 student awards assembly was held. This event occurs each spring to recognize the achievements of the students during the school year. Sports, writing, service, and overall excellence is recognized at this assembly.

Coffee Houses

Some of Elizabethtown's finest singers, musicians, and poets have the opportunity to share their talents in Campus Forum sponsored Coffee Houses. Traditionally held in the Jay's Nest, coffee houses are an informal setting to allow students and faculty to share a poem, sing a song, or tell a funny story to their fellow students.

Tartuffe

The play, "Tartuffe", by Moliere, was put on this year by a few of the students and faculty from Elizabethtown College. The actors were Kristin Rowland, J. Scott Davies, Chris Hill, Kristine Brennen, Christopher Guear, Sue Bacon, Stephen Hunt, Laura Bly, Aaron Payson, Michael Kenkins, and Aimee Gentile.

Fools

"Fools," Neil Simon's comic fable was staged in the Alumni Auditorium by student actors on April 21-14. The staff included Stephen Hunt, Kristine Brennen, Ronald Tomasello, Vivian Sewell, Tammy Dotts, Marianne Tomarelli, Douglas Gee Jr., Christine Courpas, Christine Tinucci, and Dan Connolly.

Battle of the Bands

The Activities Planning Board and Royer Dorm Council teamed up to bring the campus one of the hottest events of the years. Five area bands came together on April 16th to compete for a \$1,000 grand prize. The winner of the first ever Battle of the Bands was the Philadelphia band Customer Service.

Between the Summits

Elizabethtown College played host to one of the most influential politicians alive today. Willy Brant, former Chancellor of West Germany, was the highlight of the College's Chubb lecture series, *Between the Summits*. The lecture series featured several lectures on the importance of East-West relations.

Chancellor Brant spoke in the Thompson Gymnasium to a large assembly of students, faculty, and many visitors to the college.

Theme Weekends

Theme Weekends are always popular events during the semester. This year Myer Dorm Council started off the holiday season with their "Christmas in Maui" theme weekend. Founders rocked the campus to their "Rock and Roll" theme weekend. Ober's Carribbean Jammin' Weekend got the campus ready for spring break. Royer Dorm Council sponsored the "Psychedelic 60's" theme weekend, which featured the first ever Battle of the Bands.

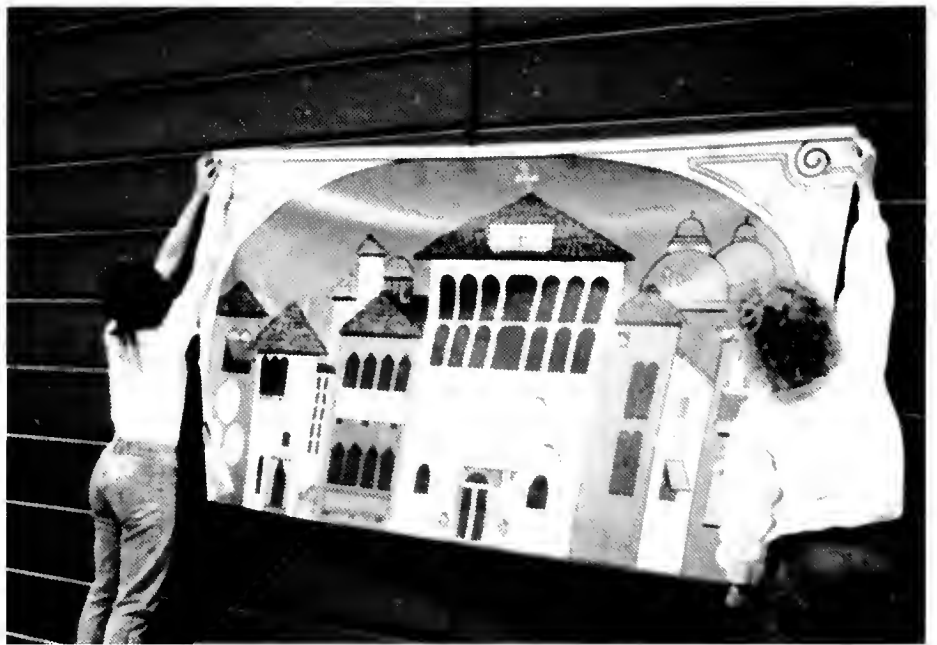

Monday at 10

1987-88 saw the beginning of the College Assembly program, "Monday at 10." This assembly period gave the college community an opportunity to come together for a series of lectures, dance, and entertainment presentations. Included in the Monday at 10 series was a concert by folk singer Livingston Taylor, a performance by a Brazilian dance troop, and lectures by college and world leaders.

TGIS

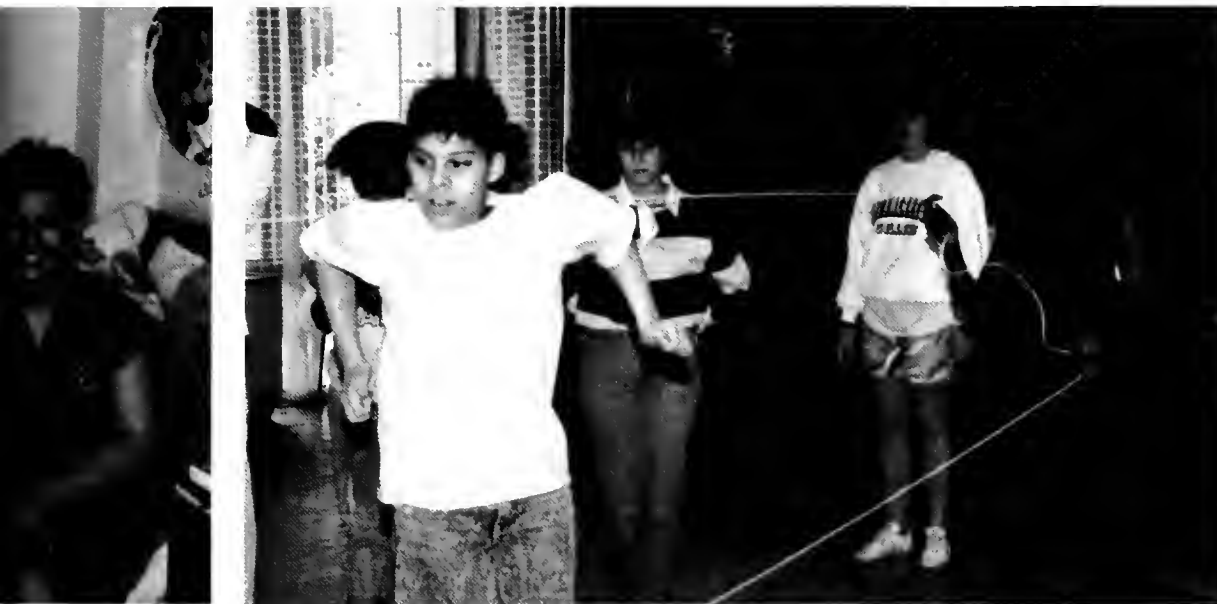

The Great International Spree was the theme of the Activities Planning Board's annual TGIS weekend. TGIS weekend is a celebration of the end of another semester, and a celebration of spring. The weekend featured exotic food and a variety of special events all weekend long, including the Nearly Wed Game, an International Games Festival, an International Flight dinner, and great bands. The weekend was topped off by an amazing display of fireworks by Lake Placida.

Big Brother/ Big Sister Day

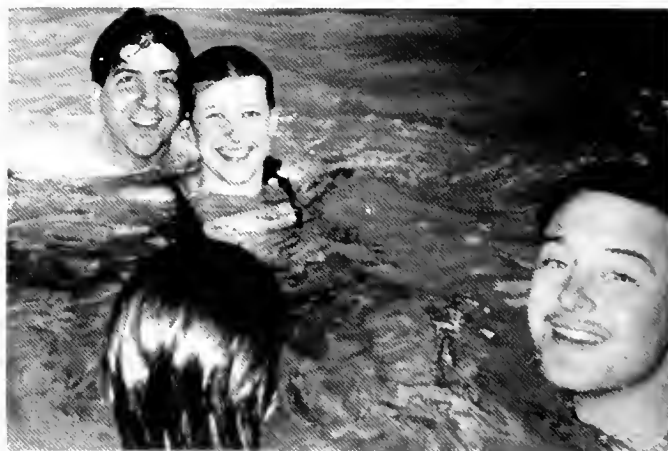

Big Brother/Big Sister Day and TGIS go hand in hand, and this year was no exception. 50 children from inner-city Harrisburg visited Elizabethtown College to share the day with a college student volunteer. The Big Brother/Big Sister spent the day swimming, racing, playing games, and sharing good times with their "little brother or sister."

Junior/Senior Dinner Dance

Juniors and seniors had the time of their lives on March 25th, as the Junior Class presented the annual Junior/Senior Dinner Dance. This year's event was held at the Lancaster Treadway Hotel. Hors d'oeuvres and dinner were followed by a dance. Junior/Senior is a special time for upperclassmen to celebrate the end of the semester, and look forward to the future.

APB Specials

Throughout the semester APB arranges for some entertaining acts to come on campus for the enjoyment of the college community. Some of this years events included a magician and a program called "I can make you laugh." A special Jazz nite was also held in the new dining hall wing. These events are always a good time for those attending.

Black Freedom Theater Mock Constitutional Convention

On the weekend of April 22-24, the Political Science Club hosted delegates from ten colleges and universities throughout Pennsylvania and New York, as well as area high schools. These students participated in a Mock Constitutional Convention which looked at proposals to ammend the U.S. Constitution. Several speakers including State Representative Ken Brandt, Congressmen Robert Walker and Bill Goodling welcomed the crowd at the opening ceremony. The Keynote address was delivered by former Congressman Bob Edgar. Meetings continued throughout the weekend considering such proposals as abolishing the Electoral College in favor of direct election, and giving the president a six-year term with unlimited opportunity for re-election.

Renova- tions

When students left in the spring of 1987, construction had started on the addition to the cafeteria. When students arrived back on campus in the fall we found beautiful renovations in the North dining hall, but many were surprised to see that the addition was not yet complete. Finally late in the fall semester, the construction was complete and students were free to enjoy the beautiful addition. Over Christmas break the South dining hall also received major renovations.

Myer Residence Hall also received a fresh coat of paint, new ceilings, and improved overhead lighting over the summer break.

Welcomed news came in the mail to Myer, Royer, Founders, and Ober residents over the summer. Private phones would be available in those residence halls in the fall. Schosser and Brinser received phone service beginning spring semester. Private phones were a welcomed addition, but the phone bills were not as welcomed.

Gibble Auditorium received a new name and a major face lift. Now, the Gibble Theater was installed with new improved seating, carpeting, stage, movie screen, and sound system. Gibble Theater became the prime location for many of the "Monday at 10" programs, and other campus programs.

The image features a minimalist, abstract design composed of several overlapping rectangles with black outlines. The rectangles are tilted at various angles, creating a sense of depth and movement. The word "Memories" is centered within the largest, most prominent rectangle in the middle of the composition. The overall aesthetic is clean and modern, with a focus on geometric shapes and negative space.
